

HOW & BY WHOM DID THE ABRAHAMIC RELIGIONS ORIGINATE?

According to the Hebrew scriptures, ABRAHAM formed the first covenant with God, and MOSES received and presented to all the Jewish people the binding covenant of TORAH, or Jewish law, making God's law their own.

Christianity is founded on the life and teachings of JESUS CHRIST, a Jew. The religion is based on Jesus' teachings, sayings, healings, death, and resurrection.

Islam started with ADAM and was transmitted by God through Prophets such as ADAM, ABRAHAM, MOSES, and JESUS, all recognized in Islam; God finally preserved His message in the QUR'AN through MUHAMMAD, the last of the messengers. The word ISLAM means *submission* (to God's will) and *peace*.
